CHEOM BOOKS

NEW PERSPECTIVES, FROM KOREA

Rights introduction / October 2026

We publish books that connect business, technology, the arts and everyday life. We work with authors and overseas partners to bring Korean ideas to new readers.

THREE NEW TITLES

ARTS / CULTURE

Ballet Docent

An approachable companion to ballet performances: works, dancers, music and audience etiquette.

Korean ISBN 9791170223368

BUSINESS / AI

Same AI, Different Results

How better questions, clearer workflows and practical habits change the results we get from AI.

Korean ISBN 9791170223382

BUSINESS / TECHNOLOGY

How AI Becomes a Business Weapon

A guide to the structures, responsibilities and workflows that make AI useful inside a company.

Korean ISBN 9791170223351

SELECTED RIGHTS SALES

Palantir Attention - Taiwan
First Principles Thinking - Taiwan and mainland China
Quantum Stake - Taiwan

English titles above are descriptive working titles. Rights availability is confirmed individually for each language and territory. Please contact us for information and materials.
